7. [ ] LIAISON I picked up from John Swanner, Staff Director, House Committee on Standards of Official Conduct, classified documents which had previously been left with him. The documents concerned the appearance [ ] respect to an Agency internal document which discussed the [ ]

8. [ ] LIAISON Talked with Tom Moore, Senate Select Committee on Intelligence staff, and informed him that we were not yet ready to show him Agency documents [ ] I told him I thought we could have at least part of the documents for him next week. Moore asked me to also check for information on an individual with the last name [ ] We both agreed it would be very difficult to find anything based on this sketchy information but I agreed to check.
